

# Permits Filed for 168 Bradford Street, East New York, Brooklyn

168 Bradford Street, via Google Maps

BY: [ANDREW NELSON](#) 6:00 AM ON MAY 9, 2018

Permits have been pre-filed for a four-story residential building at 168 Bradford Street, in [East New York](#), Brooklyn. The neighborhood is one of four where the city is [collaborating with the community](#) to promote the development of affordable housing and create pedestrian-friendly streets. The site is three blocks away from the Van Siclen Avenue subway station, serviced by J and Z trains. Labib Krunfol is listed as responsible for the development.

The 44-foot tall structure will yield 4,970 square feet for residential use. Seven apartments will be created, averaging 710 square feet apiece, indicating rentals. Tenants will have access to a laundry room and storage in the cellar.

Odaye Design P.E. is responsible for the design.

Demolition permits have not been filed. The estimated completion date has not been announced.
